

# Advanced Resources Stands Out

## Global Recognition

At Advanced Resources, we take pride in being one of only four companies globally recognized not just for our exceptional client service but also for the way we support our consultants and candidates. This recognition has fueled our growth while staying true to our core values—because for us, it's not just business; finding the right person for the right role is deeply personal.

## NPS and Why It Matters

This commitment to personalized service is why we've consistently outperformed our competitors, as highlighted in the chart. While the staffing industry average Net Promoter Score for client satisfaction is 45%, Advanced Resources has achieved a staggering 81%+ satisfaction rate.

## High-Touch, Personalized Approach

Don't just take our word for it—our clients' feedback speaks volumes. Their experiences demonstrate that our high-touch, personalized approach truly sets us apart in the industry.
